Summary

A Dedicated computer science student with strong skills in web development HTML, CSS, Bootstrap, JavaScript, React.js and Node.js, Express.js, MongoDB, MySql focused on creating scalable and robust applications. Passionate about continuous learning and innovation in software development & designing.

Education

- B.Tech in CSE, Raghu Institute of Technology, Visakhapatnam, 7.90 CGPA, May 2024.
- Diploma in EEE, G.B.R Government Polytechnic college Cheepuripalli, Vizianagaram, 66%, Dec 2020.
- Secondary School Education, ZPHS Yellapuvanipalem, Visakhapatnam, 8.7 CGPA April 2017.

Skills

Development

		Designing
. React.js	. Css	. Figma
. MySQL	. Bootstrap	. Adobe Illustrator
. JavaScript	. Node.js(Intermediate)	. Adobe Photoshop
. Html	. Express.js(Intermediate)	
. MongoDB(Intermediate)	. Redux	

Projects

Movienext

MovieNext is a dynamic web application that allows users to explore, search, and discover movies easily. The platform offers a modern UI with responsive design for seamless movie browsing across devices.
Technologies : React.js, Redux, Axios, React-Router, Local Storage, TailwindCss, Css.

Weather Application

This Weather Application is a responsive web app built using React.js, providing real-time weather updates through integration with the OpenWeatherMap API.
Technologies : React.js, Antd, Bootstrap, Css.

Todo List

A simple and responsive Todo App built using React.js for managing daily tasks. Tasks are stored locally using the browser's Local Storage API, ensuring data persistence without a backend. The app features task creation, editing, deletion, and real-time updates with a clean and user-friendly interface.
Technologies : React.js, Local Storage, Antd, Bootstrap, Css.

QR Code Generator

A lightweight QR Code Generator built using React.js for instantly creating QR codes from user input.
The app leverages the qrcode.react library to dynamically generate QR codes.
Technologies : React.js, qrcode.react, Local Storage, AntD, Bootstrap, Css.

Calculator

A simple and interactive Calculator built with React.js for performing basic arithmetic operations.
Technologies : React.js, AntD, Bootstrap, Css.

Quiz

A dynamic quiz application built with ReactJS for interactive learning and assessments.
Technologies : React.js, AntD, Bootstrap, Css.

Dice Game

An interactive Dice Game developed using HTML, CSS, Bootstrap, and JavaScript for engaging gameplay.
Technologies : Html, Css, JavaScript, Bootstrap.

Drum Band

A fun and responsive Drum Band web app. Users can play various drum sounds using keyboard keys or by clicking on drum buttons.
Technologies : Html, Css, JavaScript, Bootstrap.
